## How it works

## Sign Up

Select all the dates when you need paper birthday cards for friends and family.

## Confirm

Receive reminder emails two weeks prior to each date to confirm your birthday card selection.

## Deliver

Pick up the birthday card from your mailbox with time to spare – just add your personal message to the card and it is ready for delivery!

## Why use My Elephant Post?

### Fast set-up

Simply log-in with Facebook, select the people most important to you, and assign cards to them. Birthday card shopping **done in 5 minutes**.

### Incredible selection

We believe your loved ones deserve the best. That's why we searched long and hard to find hundreds of the highest quality, **handmade cards** made by **independent designers** throughout the US.

### Highly affordable

All of our cards are \$5 with shipping. No gimmicks. No hidden fees. Just **great cards at great prices**.

## About us

We are a small team in Boston who understands the time-constraints so many of us face today. We created My Elephant Post to make it easier to remember loved one's birthdays and quickly find the perfect birthday card that shows how much we care. We love spreading joy to others. Just check out the lengths we will go to in order to satisfy customers.
